Empowerment Conference

Pastor Terrence and First Lady Shaw would like to thank everyone who have taken time out of their busy schedule to attend Empowerment Conference 2013. As a body of Mount Calvary Holy Churches of America Inc. we are declaring that the B.E.S.T is yet to come as we are "Moving into The Next Decade" Thank you for your continued prayer and support!

Black History Month is a time to commemorate African-Americans who have changed the world. Pastor and First Lady Shaw would like to thank the youths of MCDC for their efforts and presentation as they reflected on some of our great leaders and how they have changed and inspired the lives of others to follow in their footsteps and keep their dreams alive.

WOMEN OF WORTH

LOVE

As the month of February approaches the awareness of love and romance becomes more evident. Some are thinking of what kind of chocolate or how many roses should they get their love ones while the card isles in the stores are packed as some are trying to get just the right card. While the thoughts are well worth the efforts to make your love ones happy, we need to be reminded that LOVE is not a one day thing. Love should be a part of our everyday lifestyle and it should be exhibited daily. As we move forward in life, let's live, laugh and love unconditionally, for
LOVE NEVER ENDS!

MCDC participated in the Sweet Bay Black History Festival by rendering hope to the hopeless.
