Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord.

Acts 3:19

The Year of Refreshing

Woman of Worth

The bible teaches that the woman of virtue has great value. However, there are many women and things that are undervalued in this world today, but we have to learned the intrinsic worth of the unique person or thing. Hidden treasures are undervalued until they are discovered, appraised, and acquired by the one who respects the worth. God and all who honors Him will prize the woman of virtue. Sisters we are Women of Worth - For her worth is far above rubies. (Proverbs 31:10—NIV) Let's take a stand for God and claim our first love; a sincere love for our Lord Jesus Christ! Make intimacy with God your first option. Godliness must be in our relationships with people where ever God leads us, with whom ever God gives us, and no matter what God sends our way.
